20	16	12	10
10	8	6	5

**NCGA Mixed Team Series of the Year:** For each 2024 Mixed Team Series event, a “point level” designation will be given based on the field size as shown in the table. Teams will receive placement points for their finish in an event based on field size. A “no show”, “no card” or “disqualification” will result in a team receiving no points for the event.

A team will receive the full value of the points awarded to the Team of the Year points list. A team comprises of two players. A player may compete with a different partner during the season but will receive separate points with the different teammate. **The top-56 teams after the last Mixed Team Series tournament in October will receive an invitation to the Team Series Championship on November 8-9, 2024, at Poppy Hills.** If a player is on more than one team inside the top-56, he/she must choose which team he/she would like to compete on for the championship. The team that the player chooses not to play on will be ineligible for the championship and the next team on the list will be invited.

**Ties:** Teams that tie for a position will split points by adding and then averaging the positions affected, **EXCEPT** 1<sup>st</sup> place, which will be tie broken.

**The top 2 teams on the points list after the last event in October will receive a PAID entry into the Mixed Team Series Championship in November.**

**Double Points for the Championship (2-day event):** The 56 teams that qualify to the championship will receive double the points, because it’s a 2-day event and after the championship, the team with the most points will be the Team of the Year and will be presented trophies.
